

Amazon Business introduces 'COVID-19 Supplies Store'

May 11, 2020

Hospitals and other frontline organizations can now access a wide range of safety products

- Safety Essentials like masks, sanitizers, gloves and more
- Institutional buyers like Nursing Homes, Hospitals, healthcare NGOs, government agencies and other businesses can purchase COVID related items in bulk with GST invoices

Bengaluru, 11 May 2020: Amazon Business today introduced the 'COVID-19 Supplies Store' to provide easy access for businesses to buy COVID related supplies on Amazon. Frontline organizations such as healthcare and government can purchase COVID-19 related essentials in bulk from the store to effectively fight the virus.

The 'COVID-19 Supplies Store' has been specifically curated to provide instant access to critical medical supplies and safety products. Customers need not spend time searching for individual products. The store has a wide selection of items like N95 Masks, Surgical Masks, Sanitizers, Personal Protective Equipment (PPE) Kits, Gloves, Shoe Covers, PPE Suits, Facial Shields, Infrared Thermometers and we continue to add more.

Commenting on the initiative, **Manish Tiwary, Vice President – Category Management, Amazon India**, said, "The 'COVID-19 Supplies Store' is our effort towards providing institutional buyers with a one-stop shop for all their needs around safety and sanitization products. The store seeks to serve bulk buying needs of healthcare professionals and organizations as the nation continues to fight the virus. In these unprecedented times, Amazon remains committed to serve the nation by providing instant access and delivering products safely to customers across the country."

Amazon Business aims to support organizations and their employees to stay safe by providing them instant access to various safety products. Institutional buyers can get competitive quotes from multiple suppliers, coupled with safe delivery. These business purchases also come with the benefit of bulk pricing and GST invoices to ensure compliance and claim input tax credit.
